Task: colour scheme
consolidate accordion
layout; have
information? filters?

Operation

need to include
how to manoeuvre
the visualisation.
click to open
accordion.

have further
extra information?
annotations?

annotations
won't be immedi-
ately visible & less efficient
need to be on
map (or around).
maximise data in-
a zoom in list
of annotations?

Discussion

- * is this style of presentation too bland?
- * drop electricity to consolidate the narrative cohesion.
- * rethink the double y axis for the line chart.
- * what is the overall question this visualisation is trying to answer?
