Layout (keep title & discussion layout)

Discussion
why is this
visualisation
important?

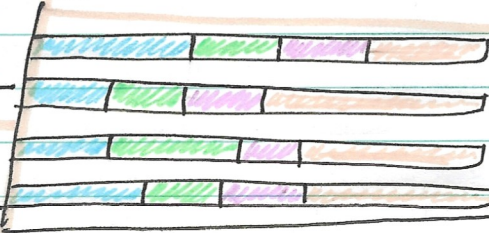

key take aways, next pot introd.

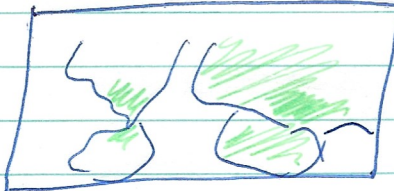

Discus.

Discus

Focus / Zoom

pop up annotations & info when
hovering?

annotation
& extra
info.

Discussion boxes.

& annotation boxes.

Sheet 3

Elena Doucila Pyp
15/09/2021

Task: Accordion
Layout Exploration,
Chart layout.

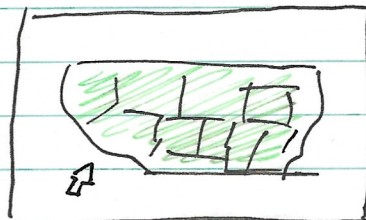

Operation

→ move this off
map?
click & drag.

EXPORT ↓

Import

Production.

hover & get some
extra info?

eg. actual value?

brightness encodes
quantitative,
hue for categorical.

Discussion

- * choose colour scheme
for visualization
- * remember to
pick colour blind
friendly colour
scheme.
- * keep color for
four groups
consistent.
- * keep even
